Your Letter December 15

Mr. E. A. Darr, President
R. J. Reynolds Tobacco Company
Winston-Salem, North Carolina

Dear Mr. Darr:

This will acknowledge with my thanks your letter of December 15th concerning the report you received from one of your student representatives who attends the University of Texas.

The Dr. Rigdon he mentions is the author of the attached article. This is scheduled to appear in the January, 1954, issue of the JOURNAL OF THE TEXAS PUBLIC HEALTH ASSOCIATION. It is my further understanding that Dr. Rigdon has acquired some additional information which he is now putting into a report to be presented in the near future. I hope to see Dr. Rigdon at the same time I call on Miss Eleanor MacDonald, about the first or second week in January.

With best regards,

Very truly yours,

Grant Clarke
